NEW REGISTRATION

Dear Parents/Guardians,

Welcome to the St. Charles Religious Education Program. Thank you for allowing us to work with your child/children this year. We are very appreciative of your cooperation in matters of your child's religious education.

Please be advised that R.E.P. classes at St. Charles for Grades 1 – 5 will be held on Wednesdays, from 3:45 P.M. to 5:15 P.M. Grades 6 and 7 will be held on Monday from 3:45 P.M. to 5:15 P.M.

Classes for Grades 6 & 7 will begin on Monday, September 12, 2016, and classes for Grades 1-5 will begin on Wednesday, September 14, 2016. You will be notified by your child's teacher in September as to what class they have been placed and where line up will be.

The Religious Education registration fee is \$225.00 for one child or \$300.00 for two or more children.

** Registration fees are non-refundable. This fee includes books.

** Sacramental fees are extra. At the mandatory fall 2016 Sacramental meetings, you will be advised of all Sacramental requirements.

** Parish Registration: Every R.E.P. family must be a registered parishioner contributing weekly envelopes. Your envelope number is **required** on the attached form.

** New Parish Registration: The Rectory will notify us of your envelope number when it becomes available.

** Mass Attendance: Weekend Mass attendance and Holy Days of Obligation is required. Student's mass attendance will be recorded. As Catholics, we are expected to meet these obligations.

** Required Forms: The Registration & Crisis Management forms must be filled out and returned to the Religious Education Office. All newly registered students must have a copy of all sacramental certificates on file. Transfer Students must also provide a copy of their transcript from their previous Religious Education Program/Catholic School.

Any child missing any year of religious education will be required to take extra classes to make up the grades missed. This may delay the receipt of your sacraments.

No child will be considered registered without the parish envelope number, sacramental certificates, and transfer record (if applicable) on file.

We look forward to a successful year!

Sincerely,

Ms. Kerry Quinn
Coordinator of Religious Education

CRISIS MANAGEMENT

A Crisis Management Plan is in place for our Religious Education Program. Faculty and staff members know the procedure and necessary code words for a lockdown and a disaster plan. Students and staff are in the process of practicing such procedures. We have also purchased and stored provisions such as bottled water, snacks, and personal wipes for each student.

If there is a lockdown, NO ONE will be admitted into the building until an ALL CLEAR sign is given. The children will be supervised by the school personnel, even if it after our usual dismissal time. You must be patient for the welfare of your child/children.

In case of a disaster mode, all students and teachers will assemble in the lunchroom. Once gathered, all students and parents will follow the procedures below:

- 1. Teachers will give each student a name tag to wear.**
- 2. Parents or guardians must enter St. Charles School through the main entrance (Penn Ave.), sign in, and line up in the hallway.
You must have PHOTO I.D.**
- 3. Each parent will be sent to the specific area where their child/children will be located. You will then sign out your child/children and exit the building.**
- 4. You must remain calm and follow instructions.**

In case of an imminent threat before our program starts, the Religious Education Program will be cancelled and regular procedures for closing will be followed.

In case of an imminent threat to our school building during the Religious Education Program, the children will be taken into our church or schoolyard. Once again, they will be supervised by their teachers and school staff. In this situation, when your child/children attending the St. Charles Religious Education Program, it is your responsibility to make arrangements for you or someone else to pick up your child/children from the sites mentioned above.

Please remind your child/children that in case of an emergency, they must move quickly and quietly, and listen carefully to all instructions from their teachers or school personnel. Our children's safety and well-being is our first priority in an emergency.

Please fill out the attached form printing as clearly as possible all requested information and return to us at the time you register your child/children.
